The New Citibank Branch Metropolis

Citibank opened a [new branch](#) to serve consumer customers. It is only one minute walk from the Voykovskaya metro station at the Metropolis Moll.

Metropolis is the third new format branch completed with innovative equipment that makes it possible to issue and re-issue banking cards on the spot and in the presence of a customer.

Andrey Karyakin, Vice President, Sales and Distribution Head for Russia, said:

"One of our main targets is to make sales points closer to a customer and simplify access to banking products and services. This is the reason why we have opened our innovative branch model at a large shopping centre. You only need to complete a credit card or loan application and you can start using it immediately."

The [Metropolis branch](#) offers a full range of products and services to consumer clients including:

- co-branded [credit cards](#) and cash-back cards;
- consumer loans;
- [CitiOne package](#);
- [CitiGold VIP package](#);
- [investment](#) and [insurance products](#);

The branch is also equipped with an [online cash deposit](#) ATM that enables clients to make cash deposits, pay credit card and loan debt, and make [utility bill payments](#). All these services are available for customers 24 hours a day, with no fee and in a real-time mode.

Opening hours:

- Monday - Friday: 10:00 - 20:00
- Saturday 10:00 - 18:00
