SMS messages to Skylink customers

Dear customers!

Let us inform you that all organization questions, which were the reason of temporary interruption of Citibank SMS communication to customers, who are also **Skylink** customers (all Citibank SMS services, including [Citibank Alerting Service](#), SMS with passwords for e-commerce transactions as part of [3D Secure service](#) etc.) are fully resolved.

Starting from today SMS communication will be resumed.

With best regards,
ZAO Citibank
