**New version of [www.citibank.ru](http://www.citibank.ru) site**

Citibank presented a new version of **www.citibank.ru** site on 25<sup>th</sup> of July. The new design and structure were developed in accordance with web-standards of Citigroup. Successful experience of other countries was taken into consideration as well.

The renovated site became even more handy. We aspire our site to be the most comfortable for our client that's why we appreciate to get your wishes and proposals regarding its functionality.
