Citi Announces the Launch of Global Citi Alumni Network in Russia!

This year is a special one for Citi Russia — we are celebrating not only the 200th anniversary of the founding of the bank but also 20 years of our operations on the Russian market. To commemorate many years of cooperation, Citi announced the opening of the Russian office of the Global Citi Alumni Network. Any former employee who worked at Citi for two years or more can become a member. Participants of the association will have the opportunity to get in touch with former colleagues, attend regular alumni gatherings and share their memories. We hope that this development will help many of us to reconnect and rejuvenate professional relationships and friendships built over the past 20 years.

Today, you can register on the global [Citi Alumni Network](#) website and receive updates on Citi's latest news and events, as well as read the Citi Alumni stories.

Registration should only take a few minutes — register now and follow the updates of Citi's network.
