The credit card promo campaign "Win A Trip To An Island For Your Loved One" was held between February 1st and March 20th, 2006 for new and existing Citibank customers. Top prizes, two one-week trips to Cousine Island, Seychelles, went to the lucky winners - Alexey Fedorov and Arkadiy Prasolov from Moscow.

One of the winners - Alexey Fedorov - has recently returned from the trip and shared his impressions with us:

"At first my friends did not believe me when I mentioned that I had won a trip to the Seychelles, they asked me whether I was married to Citibank president's daughter. My reply was simple - I paid for everything, including petrol, mobile phone and all daily purchases, with my Citibank credit card.

Now about the trip itself. Everything was top notch. It was our first flight with Emirates and we really loved it! By the way, it felt like Citibank "followed" us on our way - reminding us of its presence in Dubai airport advertisements. There were several pleasant surprises during the trip - like our first time experience of a helicopter flight over above the pristine waters of the ocean!

The resort staff welcomed us warmly on our arrival. There were only resort managers from South Africa, 10 native people and us! Just us! Miles of white sand beach, huge friendly tortoises, exotic birds and coco palms, all this just for the two of us to enjoy! There are four bungalows on the island, and it was only on our last day that we had to share the island with the neighbors.

Special thanks to Citibank and Vladi Private Islands, the company that provided the prize, for excellent cuisine and service. We were always asked about our food preferences for the next meal. We felt ourselves as if in a fairy tale. We were served lobsters, prawns, fish, delicious stakes, and tropical fruits.

The trip coincided with my wife's birthday. She keeps saying that this was the best birthday celebration she's ever had. I've been a Citibank customer for more than two years now and I am very pleased with the customer treatment and service I've received! We are very happy that there is Citibank in Russia!"

We would like to express our gratitude to all of our customers who participate in on-going credit card promotion campaigns. The winners of another campaign "**Win a Trip to 2006 FIFA World Cup!**" have recently returned from Germany. We will publish their impressions of the trip and meeting with the legendary Pele.
