1. Introduction

1.1. These credit card terms and conditions (the "Terms and Conditions") set out the terms and conditions whereby AO Citibank ("Citibank") will offer its customers credit cards with credit limits and other related services and products as described in these Terms and Conditions, the Schedule of Fees, Commissions and Charges (the "Tariffs"), and the credit card application (the "Application") duly completed and signed by the customer named in the Application (the "Customer") and Citibank, shall together constitute a credit card agreement between the Customer and Citibank (the "Agreement"). The Agreement shall be entered into on the date Citibank issues its Credit Card to the Customer. Where the Customer is issued with a secondary Credit Card and/or a supplementary Credit Card and is in agreement with the terms on which such card(s) is/are issued, the Agreement shall be deemed supplemented to incorporate the terms pertaining to such card(s). Where this is the case, the supplementary agreement to the Agreement shall be deemed entered into (a) at the time Citibank accepts the Customer's offer concerning the issue of the second primary Credit Card and/or the supplementary Credit Card (i.e. at the time at which the card is issued by Citibank) if such offer originates from the Customer, or (b) at the time the Customer activates the secondary primary Credit Card or the supplementary Credit Card if the offer concerning the issue of the second primary Credit Card and/or the supplementary Credit Card originates from Citibank.

1.2. The Terms and Conditions, together with the Tariffs and Citibank's other standard forms and schedules, set forth the general terms on which a credit is extended to, and is used and repaid by, the Customer. Such general terms represent the general terms of credit (the "General Terms of Credit Agreement") and together with the individual terms of credit agreement constitute a credit agreement (the "Credit Agreement"). The Terms and Conditions also govern the opening and maintenance of a Citibank account to be opened in the name of the Customer for the purpose of credit card transactions (the "Account"), and the provision of all related services and products offered by Citibank to the Customer. The Credit Agreement shall be deemed entered into at the time the Customer accepts the individual terms of credit agreement as provided in paragraph 2.1, below. Certain types of related services and products may be offered by Citibank to the Customer subject to separate agreement(s) or service rules and procedures as may be established by Citibank from time to time. In the event of a conflict between the provisions of the Terms and Conditions and any specific agreements, service rules or procedures, the provisions of such specific agreements, service rules or procedures shall prevail.

1.3. The extending of any credit to the Customer shall be subject to the Credit Agreement. Citibank may refuse to enter into the Credit Agreement with the Customer without giving any reason for such refusal unless obligated by law. Citibank may provide both unsecured and secured credit to the Customer in a manner as determined by Citibank.

1.4. The credit card agreement and the Credit Agreement contain elements of different contracts, thus being hybrid contracts, and, save for the individual terms of credit agreement agreed with the Customer, represent the contracts of adhesion.

2. Account and Credit Limit

2.1. To obtain credit, the Customer shall, upon familiarizing him/herself with the General Terms of Credit Agreement, provide to Citibank his/her Application and such documents as required by Citibank in order to consider the extension of credit to the Customer. Upon consideration of the Application and other documents, Citibank will determine if the Customer meets the credit acceptance criteria as established by Citibank from time to time. If Citibank, in its discretion, determines that the Customer meets such criteria, Citibank will send the Customer the individual terms of credit agreement (a) the individual terms of credit agreement — for transactions made without the equal payment plan ("Non-EPP Transactions"), or (b) the relevant Offer — for transactions made without the equal payment plan ("EPP Transactions"). Credit Card transactions relating to payment for the Merchants' goods and services (except EPP Transactions) ("Non-EPP Purchases") shall accrue interest as follows: (i) if the amount of the Outstanding Balance relating to Non-EPP Purchases is fully repaid in the next payment cycle (as defined in the Payment Cycle on the Credit Card Statement (as defined below)), no interest shall accrue; (ii) if the amount of the Outstanding Balance relating to Non-EPP Purchases is not fully repaid by the Customer by the Payment Date indicated on the Credit Card Statement, interest (on the outstanding portion) shall accrue from the date of the origination of the Outstanding Balance in respect of such transactions until and including the date of full repayment of the portion of the Outstanding Balance that relates to such transactions. All Credit Card transactions other than Non-EPP Purchases shall accrue interest from the date of the origination of the Outstanding Balance in respect of such transactions until the date of its full repayment.

In accordance with the General Terms of Credit Agreement and/or the Tariffs, Citibank may apply a charge of a technical overdraft fee/interest and other fees, commissions and charges (the "Fees"), which will increase the Outstanding Balance.

2.4. At the Credit Card Statement issue date, Citibank will reduce the available limit by the amount of the Fees and interest: (a) accrued on the Outstanding Balance relating to Non-EPP Purchases as at the issue date of the previous Credit Card Statement and not repaid by the Payment Date indicated on the previous Credit Card Statement; and (b) accrued on other transactions which are not Non-EPP Purchases, including EPP Transactions, up to and including such Credit Card Statement issue date, and will increase the Outstanding Balance by such amount.

2.5. The Customer shall, on a monthly basis, repay to Citibank a Minimum Payment Amount by 10 p.m. Moscow time on the payment due date specified in the Credit Card Statement. Failure to repay the Minimum Payment Amount by the Payment Date indicated on the Credit Card Statement for any reason beyond Citibank's control shall not relieve the Customer of his/her obligation to repay the Minimum Payment Amount when due. The Minimum Payment Amount is calculated as follows: (a) an amount equal to five (5) percent of the total Outstanding Balance decreased by (i) the Outstanding Balance under all EPP Transactions, (ii) interest accrued for the reporting period, (iii) any outstanding increase or decrease in the credit limit made subject to the condition that the Customer may indicate his/her acceptance of the offer only by meeting the conditions specified therein. In the event of receipt of such offer, the Customer's acceptance of the offer by carrying out any Credit Card transaction within thirty (30) days of its receipt does not apply. The Customer may accept the offer, inter alia, by carrying out Credit Card transactions for a specified amount in excess of the credit limit and/or within a specified time period. If the Customer does not meet the conditions specified in the offer, the terms of credit will continue to apply unchanged. The Customer agrees that if the conditions specified in Citibank's offer are met only in part, including where the Customer carries out Credit Card transactions for an amount less than that specified in the offer, the credit limit will change in the manner as set out in Citibank's offer. The Customer is also entitled to notify Citibank of his/her refusal to accept Citibank's offer concerning an increase or decrease in the credit limit, the terms of credit will continue to apply unchanged. The manner and method of notifying Citibank of refusal to accept an offer concerning an increase or decrease in the credit limit will be determined by Citibank.

The manner and method of sending the Customer an offer concerning an increase or decrease in the credit limit will be determined by Citibank and may include, inter alia, SMS messages to the Mobile Phone Number, Credit Card Statements, and such other methods as may be determined by Citibank.

If the Customer's creditworthiness is impaired (which may be evidenced by overdue payments under the Credit Agreement or any other agreement whereby Citibank loans money to the Customer, or by information that the Customer fails to perform his/her obligations to other credit institutions received from credit bureaus or other sources), Citibank may decrease the credit limit unilaterally and shall notify the Customer accordingly.

2.2. The Customer may use the credit within the available limit (i.e. the difference between the credit limit and the total Outstanding Balance) by charging transactions to his/her Account, including cash withdrawals at ATMs, payments for goods and services by Credit Card, and transfers to his/her other accounts and third party accounts. The Customer understands that certain Credit Card transactions (e.g. transactions in different currencies or transactions involving the use of ATMs or various payment systems, and certain other transactions) may further reduce the available limit due to applicable foreign exchange rates and/or fees, commissions and charges as may be established by Citibank or other banks, financial institutions and/or payment systems through which such transactions are processed. If a payment system's debit request is received by Citibank on a weekend or a public holiday, the transaction amount will be debited from the Account using Citibank's internal exchange rate applicable on the last business day before that weekend or public holiday.

The Customer further understands that certain Credit Card transactions may result in a technical overdraft where the Customer's spend exceeds the available limit. Where this is the case, the Customer shall immediately, but in any event within three (3) business days of becoming aware of the technical overdraft, repay the overdrawn amount together with any interest accrued thereon up to and including the repayment date.

2.3. Subject to the specifics set out in these Terms and Conditions, the amount of credit outstanding under each transaction (the "Outstanding Balance") and the amount of technical overdraft shall accrue interest at an annual rate as determined in (a) the terms of credit under the Credit Agreement — for transactions made without the equal payment plan ("Non-EPP Transactions"), or (b) the relevant Offer — for transactions made within the equal payment plan ("EPP Transactions").
penalties applied by Citibank due to the Customer’s failure to perform his/her obligations under the Credit Agreement, (iv) the amount of outstanding past obligations (including but not limited to those relating to the payment of principal, interest, fees and other charges) and (v) the amount of technical overdraw (unless repaid immediately upon occurrence); increased by (b) (i) the sum of EPP Monthly Installments under all EPP Transactions, (ii) interest accrued, (iii) the amounts of outstanding past obligations (including but not limited to those relating to the payment of principal, interest, fees and other charges), (iv) the amount of technical overdraw (unless repaid immediately upon occurrence) and (v) other amounts payable by the Customer under the Credit Agreement. If the Minimum Payment Amount is not credited to the Account by 10 p.m. Moscow time on the Payment Date, Citibank may charge a penalty as indicated in the Tariffs on the whole amount of the Outstanding Balance. If the Customer is overdue for the repayment of the Outstanding Balance, including the Minimum Payment Amount, and/or payment of interest accrued thereon, has or has the total of over sixty (60) days past due in the last one hundred and eighty (180) days, Citibank shall be entitled to declare the whole Outstanding Balance and any interest accrued due and payable and terminate the Credit Agreement. Where this is the case, the Customer shall be obligated to repay such amounts within thirty (30) days of receipt of Citibank’s notice to that effect given in any manner provided by the individual terms of credit agreement.

2.6. Citibank may allow the Customer an opportunity not to repay a portion of the Minimum Payment Amount (to wit, the amount referred to as (a) in paragraph 2.5. above) in the balance of the Customer to repay it in any amount within the Minimum Payment Amount, for a period of time until the Payment Date specified in the Credit Card Statement following the date when such opportunity was allowed. Where this is the case, Citibank shall show the Minimum Payment Amount as equal to zero on the Credit Card Statement and shall not charge the Customer a late fee on the minimum payment. Notwithstanding, however, the available opportunity not to pay the Minimum Payment, the Customer may waive such opportunity at any time by making a full or partial payment towards the Minimum Payment Amount at any time before the Payment Date. Citibank shall have sole discretion in allowing the opportunity not to pay the Minimum Payment Amount.

2.7. Any payment, transfer or cash deposit to the Account will be used by Citibank to reduce the Customer’s obligations to Citibank in the following order of priority: (a) firstly – to reduce the overdue interest; (b) secondly – to reduce the overdue principal (the amount of Citibank’s funds used by the Customer); (c) thirdly – to pay penalties.

2.8. The balance of the Customer’s funds remaining after the application of the Customer’s funds towards the above obligations will be used by Citibank towards the following: (a) payment of interest accrued for the current period of use of Citibank’s funds; (b) repayment of principal; (c) discharge of other payments/fees provided by the Credit Agreement and Russian law. If the Customer uses several credit products made available by Citibank (credit cards, consumer loans, etc.), the above order of priority will apply to each such product in the chronological order (i.e. the obligation that arises first is discharged first). Obligations under the Credit Agreement are discharged in the same chronological order in which the rights to claim performance/demand payment arise for Citibank. If Citibank consents in writing to the Customer’s request(s) to repay several amounts from the Account under the Credit Agreement at the same time, Citibank will apply the order of priority in its discretion.

2.9. No interest will accrue on an amount paid, transferred or deposited by the Customer in excess of the total Outstanding Balance (the “Account Balance”).

3. Credit Card

This Section describes the procedure for the issuance, use, cancellation, and replacement of a credit card issued by Citibank to the Customer (the "Credit Card"). In terms of technology and manufacture, the Credit Card can be of one of three types: a magnetic stripe card, a magnetic card with a chip or a contactless magnetic credit card with a chip. In terms of payment systems, the Credit Card can be a VISA or a Mastercard®, or a card of any other payment system. The Credit Cards can also be different in terms of Citibank’s alliances/co-branding partnerships with other companies. The Credit Card functionalities available at Citibank’s ATMs and described in the "Services" section of the Account include but not be fully available in all major banks’ ATMs. The Customer understands that not all providers of goods and services (the "Merchants") may accept the Credit Card or each type of the Credit Card as payment, and that the Merchants may impose limitations on the amounts of the Customer’s transactions and card holder identification procedures.

3.1. Upon entering into the Agreement, Citibank will issue the Credit Card of a particular type to the Customer. The Credit Card is linked and provides access to the Account. Citibank may at any time offer a second primary Credit Card to the Customer. The type of the second primary Credit Card may differ from that of the first one. If the Customer consents thereto, Citibank will issue the second primary Credit Card, set a credit limit for it (separate from that set for the already existing Credit Card) and open an Account on a separate basis for the primary and the secondary Credit Card. The second primary Credit Card will together constitute the credit limit under the Credit Agreement. Activation of the second primary Credit Card by the Customer indicates his/her acceptance of the terms of the supplementary agreement to the Agreement (in relation to the issuance and maintenance of the second primary Credit Card).

3.2. The Credit Card will be issued to the Customer at a Citibank branch or, if the Customer so wishes, will be sent to the Customer’s current address provided by the Customer (or to the Customer’s registered address if no current address has been provided). The address other than the address agreed by between Citibank and the Customer, in a manner that allows to unequivocally establish that the Credit Card is received by the Customer him/herself (or his/her representative duly authorized by a power of attorney), including by registered mail, courier service, or hand delivery by Citibank employees.

In order to start using the Credit Card, the Customer will be required to sign the back of the Credit Card and activate the Credit Card on Citibank’s website at www.citibank.ru, in Citibank Online or by calling a CitiPhone number indicated on the back of the Credit Card. The Customer will be required to enter the TIN in order to use the TIN to access CitiPhone®, in or recover access to Citibank Online, or purchase goods or services from the Merchants that accept chip credit cards if they so require. The Customer will be required to use TPIN in order to access Citibank’s services available through CitiPhone®.

3.3. The Customer may request the issuance of one or more supplementary Credit Card(s) by submitting to Citibank an application to this effect in a form established by Citibank, along with such other documents on the supplementary Credit Card holders as may be requested by Citibank. Citibank reserves the right to limit the circle of persons to whom supplementary Credit Cards may be issued or to refuse to issue a supplementary Credit Card to any person. All procedures, rules of application, issue and use and the Fees established by Citibank in relation to the Credit Card shall fully apply to supplementary Credit Card holders and their holders. The Customer agrees that supplementary Credit Card holders of all such procedures, rules and Fees as are applicable. Any obligations arising out of the use of supplementary Credit Cards are deemed to be the obligations of the Customer. Supplementary Credit Cards will be delivered in a manner similar to that in which primary Credit Cards are delivered to the Customer and will be received by the Customer him/herself (or his/her authorized representative) at a CitiPhone. The supplementary Credit Card will be delivered inactive. The Customer may at any time cancel or block any supplementary Credit Cards issued upon the Customer’s request by notifying Citibank thereof in such form and manner as determined by Citibank.

The Customer will be required to enter PIN in order to use the Credit Card at ATMs, register and/or Merchants and/or the details of such transactions appearing on the Credit Card Statement shall serve as evidence of the Customer’s transactions carried out on the Account in such cases.

3.5. If the currency of the transaction is different from the currency of the Account, the transaction amount (including applicable Fees) will be converted into the currency of the Account at the exchange rate as may be established by Citibank or other banks or financial institutions and other systems through which such transaction was processed. The Customer agrees that in some cases, the exchange rate may be used to pay for goods or services in a currency different from the currency of the Account, the transaction amount may be paid on hold in the Account using Citibank’s internal exchange rate and/or that of other banks, financial institutions or payment systems through which such transactions are processed, applicable on the date of such hold, and actually posted charges to the Account using the internal exchange rate and/or that of other banks, financial institutions or payment systems applicable on the date the transaction is posted/charged to the Account. 3.6. If the Customer is refunded any money paid for goods or services using the Credit Card, the amount of such refund will be credited to the Account. The Customer is not entitled to receive a refund in cash.

3.7. 3.8. An ATM and/or a Merchant shall issue (or may issue at the Customer’s request) a printout (a receipt or slip) of every ATM or purchase transaction carried out by the Customer with the use of the Credit Card. Citibank recommends that the Customer retain all such printouts for information purposes. Unless otherwise provided by the Terms and Conditions, the details of each ATM or purchase transaction carried out by the Customer with the use of the Credit Card will be communicated to the bank’s operating system and will appear on the Credit Card Statement. The Customer agrees that the transaction printouts issued by ATMs and/or Merchants and/or the details of such transactions appearing on the Credit Card Statement shall serve as evidence of the Customer’s transactions carried out with the use of the Credit Card.
3.9. The Customer understands that the Credit Card is the Customer’s tool to access the Account and services associated therewith, manage such Account and services and administer the funds held in the Account and the funds that may be made available to the Customer within the credit limit. The Customer must exercise care when handling the Credit Card in order to mitigate the risk of its theft, loss or Credit Card-related fraud or erroneous transactions. The Customer must not let other people use the Credit Card without taking advice from strangers, while using strange places. The Customer must keep his/her PIN and TPIN secret and confidential since they are important means of protection for the Customer and the Account. In the event of unauthorized use of the Credit Card, PIN or TPIN, there is a risk that the available limit will be reduced/completely used up. The Customer may change his/her PIN at any time at ATMs or through Citibank Online or CitiPhone, and TPIN – through CitiPhone. If the Credit Card has been lost or stolen, or if there is a risk of unauthorized use of the Credit Card (as well as in the events when the Credit Card has been damaged or the Customer’s name or surname has been changed), the Customer shall notify Citibank thereof immediately by calling the CitiPhone number indicated on the back of his/her Credit Card or a Citibank branch. Citibank may block the Credit Card in the event the Customer is in breach of the Credit Card’s terms of use, and in the event Citibank reasonably believes that there is a risk of unauthorized use of the Customer’s Credit Card.

3.11. Citibank shall be liable for loss, damage or expenses incurred by the Customer in the event the Credit Card has been lost or stolen or if the Customer’s PIN or TPIN has become known to a third party, or in the event of the Customer’s erroneous transactions with the use of the Credit Card, as provided by applicable law and Section 15 below.

3.12. Once the Credit Card has been reported lost or stolen, Citibank will block the Credit Card and may issue a replacement Credit Card to the Customer.

3.13. The Customer understands that if a wrong PIN or TPIN is entered at an ATM or a Merchant’s point-of-sale terminal three consecutive times, the ATM/Merchant may block and retain the Credit Card. If the Credit Card is blocked and/or retained by an ATM or a Merchant, the Customer must report this to Citibank in the procedure established for lost or stolen Credit Cards.

3.14. The Credit Card’s expiry date is indicated on the front of the Credit Card. Upon expiration of the Credit Card, Citibank may issue a new Credit Card to the Customer.

3.15. The Credit Card is the property of Citibank and must be returned to Citibank upon its first demand. For the purpose of compliance with applicable laws and regulations or if Citibank reasonably believes that there is a risk of unauthorized use of the Customer’s Credit Card, Citibank may, at any time, cancel, block or suspend the use of any Credit Card, or deny the Customer the renewal, replacement or issue of a new Credit Card. In particular, Citibank may block or suspend the use of the Credit Card if the Customer does not comply with applicable laws and regulations, these Terms and Conditions or Citibank’s requirements, rules and procedures, or for the purpose of Citibank’s compliance with applicable anti-money laundering and terrorist financing regulations. Citibank may block the Credit Card if it has sufficient grounds to believe that the Customer will be unable to properly perform his/her obligations under the Credit Agreement, which may be evidenced by any information, data and/or documents lawfully obtained by Citibank from the Customer or third parties. Such evidence may include but is not limited to a failure to perform obligations owed to Citibank, information concerning the Customer’s failure to perform under any credit or loan made available by any other bank or person, or information that the Customer’s total monthly payment obligations (towards principal and interest) under credits and loans made available by Citibank and any other bank or person exceed the percentage of the Customer’s monthly income determined by Citibank.

3.16. If the Customer is a holder of a Credit Card issued outside of Russia, he/she needs to notify Citibank thereof via CitiPhone and check the possibility of using the Credit Card in the country of intended use in order to prevent the Credit Card from being blocked by Citibank to minimize the risk of its unauthorized use.

3.17. Due to the fact that compliance with the payment system rules (and the maintenance of Credit Cards within the framework of the rules of the relevant payment system) is obligatory for Citibank by virtue of law, Citibank will be held responsible for failure to perform its obligations to maintain Credit Cards (including an obligation to award any rewards) in the event such failure is not due to a change in the payment system rules objectively preventing Citibank from continuing the performance of such obligations, and in other events provided for by these Terms and Conditions and applicable law.

7. Equal Payment Plan

The purpose of the Equal Payment Plan ("EPP") is to enable the Customer to purchase selected goods and services, as offered by the Merchants in accordance with a list to be determined from time to time by Citibank, using the Credit Card's available limit and pay the purchase amount in equal monthly installments as provided by this Section 7. The participating Merchants, the selected goods and services offered by them, the applicable interest rate, and the number of monthly installments to be paid for each good or service (the "EPP Term"), will be determined by Citibank from time to time and communicated by Citibank and/or the relevant Merchant to the Customer. The terms of EPP Transactions will appear on the Credit Card Statement (the "Offer"). The acceptance of the Offer is conditional on the Customer duly making one minimum payment on the Credit Card within the first three (3) reporting periods from the date of the transaction. By accepting the Offer, the Customer agrees to a change in the relevant terms of the Credit Agreement. For the avoidance of doubt, such change will not result in an increase of the total cost of credit for the Customer. In the event of the Customer's request to apply the EPP to all EPP-eligible transactions meeting the criteria agreed between the Customer and Citibank, Citibank may, in its discretion, satisfy such request.

The Customer can change one or more Non-EPP Transactions to an EPP Transaction by requesting Citibank to apply the terms of the relevant Offer to the Non-EPP Transaction. By doing so, the Customer is transferring funds from the Account into a third party account or the Customer’s account at another bank to an EPP Transaction. Such change request may be made simultaneously with the Customer’s funds transfer instruction to Citibank, via CitiPhone, Citibank Online or any Citibank branch, or otherwise as may be determined by Citibank. The EPP Transaction debt will be reduced by the amount of full or partial prepayment, and the prepayment amount will be carried as a Non-EPP Transaction debt, which may be repaid in accordance with these Terms and Conditions.

Products Liability

7.13. Citibank will not be liable for any damage or loss incurred by the Customer due to the purchase installation, use or otherwise of the goods and/or services acquired under an EPP Transaction, except for negligence or breach of statutory or other duty on the part of Citibank; nor will Citibank be liable for the quality of the acquired goods and/or services. 8. Citibank as being the EPP Transactions before such termination or modification.
